The Power of We: General Assembly

In a time of challenge and heartbreak in our world, what does our faith demand of us? This year, at the annual General Assembly of the Unitarian Universalist Association in Spokane, WA, attendees will explore the power, possibility, purpose, struggle and joy of finding our path forward as Unitarian Universalists. The theme is "The Power of We." Attendees will worship, witness, learn, connect, and make policy through democratic process for our Association as we work for collective liberation inside and outside our faith.

General Assembly will take place from June 19 to June 23. More information is available at www.uua.org/ga We are glad that our incoming board president, Emily Cameron-Shattil will attend supported in part by funds from the Denominational Affairs Committee.

If you are not able to attend, you can still participate. Events in the General Session Hall are streamed live with video and online chat for everyone. We will stream a session on Sunday, June 23 at 10:00AM.

An even more complete experience can be had by registering as an off-site participant. In fact, we need members who are willing to serve as off-site delegates. Support for delegates' off-site registration is available. Contact the chair of the Denominational Affairs Committee - Christine Davis chopestarr@icloud.com

A Year of Reflections

This spring marks the 200th anniversary of Rev. William Ellery Channing's "Baltimore Sermon," generally considered the beginning of institutional Unitarianism in the United States. Channing preached his sermon (officially titled "Unitarian Christianity") at the installation and ordination of Rev. Jared Sparks, the first minister of my home congregation in Baltimore. One year ago this congregation held a service of Ordination and Installation, recognizing my ministry, and its connection to the broader ministry of the Unitarian Church of Lincoln. Ordinations and Installations are rare events in the lives of both ministers and congregations, and it was an honor to share that day with all of you.

In the year since, we've built on much of the groundwork we laid in our first year together, introducing new styles of worship, improving our personnel practices, building partnerships in the community, and growing towards the vision of this congregation: that we will be "a loving community uniting reason with spiritual exploration to transform ourselves and the world."

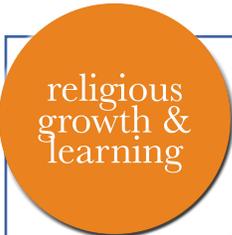

I am looking forward to continuing our ministry together in the 2019-2020 congregational year. In the coming year I hope to continue building relationships with our partners, as well as focusing (along with other staff members and lay leaders) on how we structure our outreach and communication with the broader community of Lincoln. By adding a second service, we will build capacity for future growth. Our vision is ambitious. To truly 'transform ourselves and the world' we have

to be willing to show up, and to tell the world what we have found in this community.

This congregation has been served tremendously, in ways both seen and unseen, by your lay and staff leadership in the last year. Outgoing board members Linda Brown, Mark Shiffler, and Rich Little have been steady, wise voices who will be missed in board meetings next year- even as we look forward to the gifts new board members bring!

Lastly, it is an honor to serve with the staff team at the Unitarian Church of Lincoln. Jean Helms, Chelsea Krafka, Bob Fuson, Judy Hart, and Christina Strong: Thank you.

She's Baaaaaack . . .

This June, Chelsea returns to her role as Religious Growth Director after her sabbatical during which she completed her thesis, earned her master's degree, and welcomed a new baby boy into her family, among many other things! Chelsea is such an amazing person! I have enjoyed the opportunity to "be Chelsea" for the past several months, but she is definitely irreplaceable. I only took on a portion of her job with the help of many volunteers. I am so grateful for:

- Volunteers who selected and read stories during our Time for All Ages
- Teachers and assistants who showed up on Sundays and volunteered to sub
- Families who were patient and supportive
- RGL committee members who helped plan, organize, and advise
- Staff who were always willing to answer my questions and support me in many ways

I have loved being acting-RGD and getting to know our families and youth better! I am thankful for being trusted with the opportunity, yet we will all happily welcome back Chelsea this month, knowing no one can truly replace her.

Peace and blessings,

Kim Ziemann

Interim Religious Growth Director

Making Your Wishes Known

Sunday, June 2 • 11:30AM - 2:00PM • Gathering Place

"Well, if I'm able to eat chocolate ice cream and watch football on TV, I'm willing to stay alive," a spinal tumor patient tells his daughter. "I'm willing to go through a lot of pain if I have a shot at that."

This statement from Atul Gawande's "Being Mortal: Medicine and What Matters in the End" is a subtly powerful answer to the question "What makes life worth living?" It conveys his values. It clarifies the trade-offs that he is willing to make if his condition worsens - and importantly - gives his loved ones a clear framework to make his medical decisions if he is suddenly unable to communicate.

Conversations about what matters most at the end of life do not happen spontaneously. They can be painful, scary, awkward, and a number of negative adjectives depending on your relationships and views on end of life. Unfortunately, the data show that many people wait too long to discuss quality of life in the face of serious illness, and the consequences can be devastating.

To help face these challenges head-on, join Stacie Sinclair and Amy Miller at church for a workshop that will help participants understand the issues surrounding serious illness and end of life, including key vocabulary and medical and legal forms. It will also provide communication resources to support better conversations with family members, care givers, and other loved ones. Participants will have the opportunity to begin practicing these discussions with support from the workshop leaders.

Please bring a writing utensil. Light snacks will be served. No RSVP necessary but feel free to contact Stacie (stacie.hering@gmail.com) or Amy (amiller@aclunnebraska.org) with questions.

(See page 7 for more Adult RGL classes in June.)

WORSHIP ARTS NEWS

Greetings from Worship Arts!

As we wrap up the end of the church year, I want to to highlight some of the accomplishments of the past year, and some of the goals we hope to achieve moving forward. It has been a very successful year for music at the church!

The launch of Thursday evening services has been a great success. The services featuring the A Street Band have been very well received, and the band has been incredible. We've pushed ourselves a lot and done some things way outside of our wheelhouse. I am so proud of all that we have accomplished and how rewarding it has been doing these services. A heartfelt thank you to Lynn Beranek, Michele Dobzsewicz, Keelin Geery-Zink, Roger Geery, Reed Maly, John Riley, and Stacie Sinclair. For those of you interested in jamming with us stay tuned! We're planning to expand during the summer and fall.

Upgrades to our music program in terms of technology and gear are currently in the works. Thank you to LUF for the warm and generous reception of my inquiries about this process!

The music room continues to transform, with added work space for the music director and others as needed. A special thanks to the facilities folks for their prompt attention and direction during the changes!

We continue in our quest to make the Unitarian Church of Lincoln a cultural center for our community and beyond. Oscar and I have a lot of great ideas floating around, and I look forward to fleshing them out over the summer. I am also starting the Music Leadership Certification Program this summer through the UUA; I feel that this will add a great deal to our ongoing efforts to be a leader in the arts.

See you out there!

Bob Fuson, DMA,
Music Director

This month we:

- Wrote a total of 44 letters to Senators Fischer and Sasse urging them to address the climate crisis.
- Sponsored a group discussion of The Forgiveness Project.
- Made a special donation to Fresh Start's boiler repair fund. Funds for this donation came from accumulated sales of chocolate and coffee.

Monthly Meeting

Tuesday, June 4 • 7:00PM

We will not have a guest speaker in June. Our discussion will focus on the committee's business. Our next meeting will be on August 6.

Upcoming Event

Roots of Injustice, Seeds of Change: Toward Right Relationship with Native Peoples

Saturday, June 29 • 2:00PM - 4:00PM • Indian Center, 1100 Military Road

The Social Justice Committee is co-sponsoring this workshop along with Lincoln Friends (Quakers) and the Indian Center. Participants will hear voices of America's past - Native Peoples and European popes, monarchs, colonizers, and voices of today that are calling for healing and right relationship among all peoples and with the land. There will also be time for reflection and sharing.

Paula Palmer from Boulder, CO, will facilitate the workshop. Registration information will be available on Eventbrite. Donations will be requested.

Mark & Penny's Social Justice Experience

Mark Shiffler and Penny Siefker recently had a collective phone conversation with representatives of the Unitarian Universalist College of Social Justice along with several fellow volunteers who served with them in El Paso during their two

weeks in April with Annunciation House NGO. Mark shares: "It was an intense experience that we will not forget. The tragedy of this situation is that even though asylum seekers are following processes laid out in international law they are treated in very punitive and inhumane ways by Border Patrol and officers." The GPS ankle monitor shown is an example of how immigration has become criminalized. You can learn more by going to annunciationhouse.org

Membership Umbrella

From Judy Hart

Hello Beloved Community,

On May 1 and 2, I attended a Milwaukee conference of Unitarian Church membership professionals from around the country. The Unitarian Universalist Association of Membership Professionals (UUAMP) organized the conference, which is comprised of about 110 members, both paid and volunteers, serving congregations with membership.

I've been a member for three years and Karen Dienstbier was a member before me.

We talked about how other churches handle multiple Sunday services; leading in times of anxiety; adaptive leadership; conflict avoidance; the impact of a trauma informed congregation; the ministry of membership; faith development and then some.

Belonging to a group of professionals is vital to understanding how systems work near and far. I was comforted to hear positive responses when I shared our church's story of settled and interim ministers, our vibrant committees, our governance model, our recent renovation and our growing membership. There are much larger churches and much smaller churches, and all are involved in living our UU faith and making a difference in our respective communities - one person (newcomer, friend or member) at a time.

It is a joint initiative of UUMFE, UUA Green Sanctuary, and UU-United Nations Office. By following the leadership of the most impacted communities doing frontline work, the UUA and UUs advocate for and contribute to climate justice work.

Industrial Lake Drive. From Sun Valley Blvd. turn west onto Westgate Blvd. and follow it to W. Industrial Lake Drive. Turn west/left and continue to the parking lot just past the railroad tracks. Full Moon Circle - Heart of the Drum

June 19 • 6:00PM

The Red Grail - ATC invites the Lincoln Unitarian Church community to a very special ritual - one that connects the community from its very basic origins. This involves ritual drumming, so please bring your drum if you have one. There will be drums and instruments to share. This is a fantastic ritual, and a moving experience from what we heard from others last year. Discussion begins at 6:00PM followed by ritual close to 7:00PM with potluck and community to follow. Please bring your own place setting and a snack to share.

As always, the Red Grail accepts donations for the local food bank, gently-used books for inmates, contributions to the Red Grail's give-away table, and donations for the Avalon Spiritual Retreat Center project.

The Red Grail has been partnering with the Unitarian Church of Lincoln for nearly 25 years, offering celebration and comfort to all Earth-centered people in the Lincoln community. Two Services Survey - Tell Us What You Think

Those who are experts at such things tell us that people seeking a new church home are less apt to return when they attend a service that is more than 80% full. Our seating is 200, and we have consistent attendance at 160+, so we've reached the capacity that caps growth. This is reinforced by the fact that we've been at approximately the same attendance level for many years. Yet we want to grow.

Growing happens by one of two ways: more space or more time. We will have more space when we have the second phase of the renovation, but to grow now our option is "more time." We've started planning for two services, and want to know what that means to YOU. Your preferences and desires will drive the way we add capacity.

To gather this information, we ask that you complete a survey that takes no more than 5 minutes, and will be critical to our understanding of the congregation's thoughts, hopes, and concerns. Please use this link <https://www.surveymonkey.com/r/27V2KLW> to provide your feedback. There are also hard copies available at the church office.

(Excerpt from outgoing Board President, Linda Brown, Annual Report - from page 1)

The board focused on questions of strategic vision at its second retreat in January. We reviewed the goals from the 2011-2012 Strategic Plan, and discovered most of them had been accomplished! We talked about the importance of looking at data before making decisions. We support Oscar in the proposal he sent to Program Council to explore the idea of multiple church services in a week. The data he presents suggests that our church may have been filled to capacity for Sunday services ever since we moved to 6300

A Street in the early 1960's! In the future, we would like to embrace Oscar's desire to teach, by supporting a ministerial intern. We want to prepare for Oscar to go on Sabbatical to get his doctorate degree about 2023. We want to get a new sign, and get it paid for before looking too closely at the Facilities Cluster Wish List. We want to grow 3-7% a year, as counted by numbers in the building at each church service. We want to increase staffing. About 2021 might be a good time to think about Phase Two: building the new sanctuary! We will need to develop a statement of needs to guide an architect to provide preliminary building plans.
