Attention

On October 13, I preached about belonging to the Unitarian Universalist Association. One week later I woke up earlier than usual on Sunday morning and drove to Kearney to deliver a version of that sermon to the Kearney Unitarian Universalist Fellowship.

Part of the point of the sermon was recognizing the interdependence of our communities. Unitarian Universalism is not the largest religion or denomination in Nebraska, but it matters to us in Lincoln what happens to Unitarian Universalism in Kearney, Omaha, or Scottsbluff. We should pay attention to each other, because we are each in this work of being voices of liberal religion in a red state. There are things we can learn from each other, and ways to support Unitarian Universalist ministry across Nebraska.

Our partnerships are broader than just Unitarian Universalism. Over the next month we will host a series of guest preachers, while I will be preaching around Nebraska and the country. On November 10 I am preaching in Baltimore, Maryland, while my friend Patty Forsberg from Contemplate Lincoln takes the pulpit at UCL. On November 17 I am preaching at Quinn Chapel, while Rev. Mimitzraiem preaches here. On December 1, the three UU ministers in Nebraska are doing the first of two pulpit swaps for the year: I will be preaching at Second Omaha, while Rev. Lagrave from First Omaha comes to Lincoln.

Diversity of theology and voice in the pulpit is a good thing. It is an opportunity for each of us to pay attention, to experience different styles and beliefs in worship. I am excited to be able to share pulpits with so many talented colleagues, and look forward to hearing what they bring to our community. - Rev. Oscar Sinclair

MUSIC NEWS

What’s New and Different?

Fall weather is here and with it an already packed series of musical happenings at the church!

I have been so impressed with our volunteers. The choir is growing and their performances are inspiring. The A Street Band has been knocking it out of the park, with two very successful performances. The combined efforts of choir members and the band for our tent revival was incredible! Bravo to everyone involved!

In the coming weeks you’ll be hearing more about some of the exciting things we’re implementing for the future. Our plan to move to two services is going to give us even more opportunities to have musical offerings here. If you have any questions please reach out!

Speaking of reaching out - I have a brand new email address that will be the primary method of contact. Please update your info to reflect the change. I can now be reached at music@unitarianlincoln.org. The old worship arts address is still around and emails will forward for now, but do try to switch over when you can.

Stay warm!

Bob Fuson, DMA, Music Director
Volunteer Training

This year I asked teachers and assistants to consider their own faith development. I walked them through an exercise where they could think about their spiritual path like a river. I asked the volunteers to consider where their river may have been smooth and calm, or went over rapids, or had a waterfall, or there were many rocks, or bends and curves. Starting when they were children and moving through life to where they are now - how did their faith change? How did they come to the Unitarian Church of Lincoln? I turned on some calm music while I asked questions similar to the following and had them color, write, and draw...

Think way back from when you were first introduced to the concept of something bigger than yourself. What did your parents or guardians do in your home that shaped the way you think about spirituality? Did you go to a church as a preschooler? Did your family have traditions such as prayer before meals or bedtime? What did God, the Universe, or anything bigger than yourself look like in your mind as you grew up in your home? Was there a lack or absence of something bigger than yourself when you were younger? Think back to the different grade levels - preschool, kindergarten, 1st, 2nd, 3rd, 4th, 5th, middle school, high school. Were there changes in your religion? Did someone say or do something that shifted your perspective? When did you find the Unitarian church? What was it that guided you to come through the doors here? How do the services make you feel? Have other groups or worship experiences outside of Sunday mornings helped to fuel your spirit? What guided you to become a teacher for our young UUs?

I walked through this exercise for myself. I joked with the volunteers that we may have some new ideas to bring to a therapy office after this. Some of us came to the Unitarian Church of Lincoln with a heavy heart. Some of us came here seeking, wondering, eager to explore. Some of us come for the sermons, others for community. Whatever brought you here, we are glad you stayed. I am particularly grateful for the volunteers willing to work with our children this year. Thank you for your presence.

In Peace, Faith, and Love,
Chelsea Krafka

Lincoln Unitarian Foundation Anniversary Fund

From Gene Hanlon

The Lincoln Unitarian Foundation (LUF) Committee would like to thank those that have made donations to Anniversary Fund. This effort began in February, 2017. The purpose of the Anniversary Fund is raise funds for facility and equipment enhancements that will help church committees perform their work. Each month the LUF Committee sends out cards in the anniversary month of joining the Unitarian Church of Lincoln. Congregants have donated a total of $7,721. The Committee has used $915 in Anniversary Funds to purchase additional Church Hymnals and cart. The LUF Committee is working with the Program Council to identify other projects to fund with the Anniversary Fund donations.

So far this year the LUF Committee has received 22 donations totaling $1,146. One of those donors is Harry Heafer who donated $39 to the Anniversary Fund. Harry said “he donated that amount because he had completed 39 years as a member of the Church and he wanted to support the Foundation and Church in the work that they do.”

Sue Hubbard, chair of Anniversary Fund effort, said that “the LUF Committee sincerely appreciates the donations to Anniversary Fund because it allows us to work with the Program Council and Board of Trustees to purchase needed equipment and capital improvements for the Church.”

Plan Ahead for OWL Info Session

Sunday, December 15 • 11:30AM • Gathering Place

UCL will offer Our Whole Lives (OWL) classes this year for Kindergarten-1st grade, 4th-5th grade, and High School. OWL is a lifespan sexuality education curriculum developed in partnership with the UUA and the UCC. “Our Whole Lives takes a holistic view of sexuality. It provides accurate, age-appropriate information while helping people clarify their values, build interpersonal skills, and understand the spiritual, emotional, and social aspects of sexuality. OWL is based on the Guidelines for Comprehensive Sexuality Education produced by a group of leading health, education, and sexuality professionals.” (www.UUA.org/re/owl)

OWL sessions will begin in early 2020. If you are a parent or guardian of a student in any of these grades, you are invited to attend an information meeting after service on Sunday, December 15 where you will meet this year’s OWL instructors, learn more about the curriculum, and give input as to the schedule that will work best for your family.

The instructors who teach OWL are trained volunteers. In order to purchase curriculum and materials, as well as to support the training expenses of our volunteers, the OWL tuition rate is set at $25 for the first child in a family (and $10/child after that). Scholarships are available, please inquire with Ashleigh Fuson, childcare@unitarianlincoln.org.

A Note From One of Your Trustees – Easy Peasy Lemon Squeezy!

From Lori Straatmann

I just did a thing. A really neat thing. A thing that any of us can do. I thought I’d share with you what I did, because, well, I thought it was super cool! You know how easy it is to forget your checkbook on Sunday for the offering plate? I do it way too often – which leads to feelings of “shmuckness”. Then I forget if I’m on track with my pledges. It’s annoying. I feel bad if I fall behind on the pledge that I’ve made in good faith to you and our church. So I just did this really cool thing to make sure my pledge is always in and on time. I went to my Realm account (onrealm.org) and set up my automatic pledge! So on the first of every month, my designated pledge amount is automatically moved from my bank account to our church. Easy! AND, I was able to set it up to finish out this pledge year and do next year’s pledges as well in a separate transaction so I can increase my pledge amount for next year and not have to wait to do that until January. How awesome is that? Now my family’s pledge will always be on-time and in the right amount so you and the church can count on my contributions. This is one less stressor off my plate. I encourage you to try it too. Talk to Dorothy Ramsey or Theresa Forsman for assistance in setting this up, if you want some guidance.

Will You Help to Uncorrupt Our Democracy?

Monday, November 18 and 25 • 6:30PM - 8:00PM

The Social Justice Committee and Denominational Affairs Committee will partner to present a 2-session learning experience, “Uncorrupting Our Democracy.” To expand upon the October 20 worship service, these sessions will expose attendees to the history underlying the corruption of our democracy (a UUA Study Action Issue) and catalyze our church’s response. Childcare will be provided. Please join us!

PROGRAM COUNCIL DEMYSTIFIED!

Sunday, December 1 • 11:30 - 1:00PM

What is the Program Council and what do they do? What is all this “cluster” business? If you have been curious (or even a little confused) about our current church structure, the Leadership Development Committee invites you to an opportunity for enlightenment. They will host an informational/educational forum on the Program Council and the current church structure. Members of the Program Council will be there to explain the church’s organizational structure, how the Program Council works, which committees are in each cluster and will provide information about each committee. The Program Council does the important work of keeping our church and all its various committees connected and running smoothly. Come and find out about how all the interconnected parts work together. Confidence comes from transparency and we are all more confident in how things are going when we can see how things work. This is your chance – don’t miss it. And there will be cookies! If you have any questions or need more information, contact Leadership Development Committee chair Kathy Disney at kedisney62@gmail.com or 402.560.0358.

**Green Sanctuary Promotes Goal for Reducing Greenhouse Gas Emissions in Lincoln**

The Green Sanctuary Committee is active on the Mayor’s Environmental Task Force. Recently, a vice-president at Lincoln Electric System told the Task Force that LES’s position is not to establish goals for reducing greenhouse gas emissions or goals for use of renewable energy. This position is not acceptable to us!

In response, Green Sanctuary member Gene Hanlon drafted a letter to the LES Board, presenting persuasive arguments for setting goals and developing an action plan. The letter was signed by representatives of 10 local environmental organizations and then delivered to the LES Board, with copies to the mayor and administrative staff. The concluding paragraph states, “It’s time to take action and establish a goal and action plan for reducing Lincoln’s citywide greenhouse gas emissions. We want LES and our City...to take authentic responsibility for our greenhouse gas emissions and to implement innovative strategies to reduce greenhouse emissions for buildings and facilities in Lincoln.”

**UCL Endorses Climate Legislation**

The Board of Trustees endorsed the Energy Innovation and Climate Dividend Act (H.R. 763) on behalf of our congregation. This action had been requested by the UUA and supported by our Social Justice and Green Sanctuary committees.

Young UU “Shows Up”

Nathaniel Herpel completed his Eagle Scout Project at the Unitarian Church of Lincoln on September 28. The project included a diversion of the downspouts in the playground area into a underground system that takes the water to a French Drain on the south lawn. Also, the outdoor xylophone in the playground area was reinforced. He would like to recognize those who assisted with the project: Troop 25 Scouts and their families, Nathan’s family, friends and their families, and Harry Heafer, Molly Phemister, and Michael Straatmann.

Finally, a big thanks to Martha Hovay and the grounds committee for helping get this project approved. The project has been tested with lots of rain recently, the system has been able to handle the water and there has been no more mulch washout in the playground area.

Thank You, Nathaniel et al!
