

Fundraising Policy draft 04012019 Adopted _____

Committees or groups of individuals may wish to raise money for a particular event, cause, or purchase which serves the church's principles and/or furthers its mission, but for which church funds are unavailable. In general, the Board of Trustees wishes to encourage such activities.

However,

-Use of Sunday morning stations or displays

and

_Announcements in the Sunday bulletin or from the pulpit

will be permitted ONLY to committees or individuals whose fund-raising activity

1. has been approved in advance by a church committee as noted in its records

and

2. has been approved in advance by the church office

There is no restriction of personal solicitations by congregants on behalf of organizations such as Boy Scouts, Girl Scouts and school activities so long as such solicitations do not employ Sunday morning stations, displays or bulletin/pulpit announcements.
