Position: Nominations Committee Member

Current and/or past involvement and experiences in the Unitarian Church of Lincoln:

I've been a member of the church since 2017 and have been involved in the following areas during this time: Open Circle leader, Program Council representative, Adult RGL, Membership Committee, and ushering, greeting, and coffee making.

My goals for the future of the church if elected/appointed:

I'd love to contribute by assisting with thinking of ways to both have current members and friends involved in the leadership and programs of the church, and also in welcoming new people to our church community. I hope I can be of support to the church by communicating with prospective leaders if I'm elected to the Nominating Committee.

Some personal information about myself:

I'm fortunate to know so many great people from UCL, and like to be involved when I can with happenings at church. Additionally, I love live music and theatre, reading, spending time walking or playing games with friends, hanging out with my three children and extended family, and volunteering. I have a bad-tempered Russian Blue cat named Oscar that I pet when he lets me.
